 - (ii) where an alternative approved method of payment has been used, when the period for which payment has been made and recorded has been exceeded.

No pay and display ticket displayed

33. If at any time while a vehicle is parked in a parking place, no pay and display ticket is displayed on that vehicle in the relevant position and in accordance with the provisions of this order, it shall be deemed that the charge has not been paid.
34. If at the time when a vehicle is parked during the charging hours in a parking place and the nearest ticket machine in that parking place is out of order, then a ticket shall be obtained from another ticket machine within the same parking place (where provided) or as directed in the parking place.
35. Where no valid pay and display ticket can be obtained from a ticket machine within a parking place, vehicles may be parked in a parking place but may not be parked for longer than the maximum period of parking in that parking place as notified at the parking place.

Season tickets and parking permits

36. Season tickets and parking permits are available from the Council at the appropriate fee, for a vehicle of a specific class and for a specific parking place subject to conditions determined by the Council.

37. A season ticket or parking permit is only valid in the parking place(s) in respect of which it was issued, for the vehicle in respect of which it was issued and up to the date of expiry shown on the season ticket or parking permit.
38. The driver shall abide by the terms stipulated by the Council for the use of the season ticket or parking permit.

Display of season ticket or parking permit

39. A parking permit shall be displayed in the relevant position on the vehicle in respect of which it was issued at all times during which the vehicle is parked in the parking place.

Replacement season tickets / parking permits

40. Damaged or lost season tickets or parking permits will be replaced on application to the Council and on payment of an administration fee in accordance with Council policies. The damaged or lost season ticket or parking permit will then become immediately invalid.

Restriction on removal

41. When a pay and display ticket, season ticket or parking permit has been exhibited on a vehicle in the relevant position no person shall remove the pay and display ticket or season ticket / parking permit from the vehicle until the vehicle is removed from the parking place.

 - (ii) a motor cycle; or
 - (iii) a vehicle parked displaying in a relevant position a season ticket or parking permit valid for that parking place.

Absence of Ticket machine

43. If at the time when a vehicle is parked in a parking place during the charging hours there is no ticket machine at the parking place, or all the ticket machines at that parking place carry notices placed upon them by a person duly authorised by the Council indicating that they are out of order, the driver of that vehicle shall be exempt from purchasing a pay and display ticket.

Payment by alternative approved method of payment
